

# God

("righteous" = living "right" relationships)

**Jesus**, the son of God & the Messiah, is born, grows up, teaches much, states the Golden Rule and declares **2 commands** (as a summation of all prior Godly commands), all 3 entirely about righteous relationships:

- Love God
- Love your neighbor
- But, prior commands still in effect
- Clarifies that even thinking a sin is a sin
- No human can live a sinless life; therefore,
- Each human needs a savior (to make a right relationship)

Jesus is killed on the Cross and is an atoning sacrifice:

- To save all mankind
- To (1) open chosen-ness, The way, in earthly life, to **ALL** who will chose Him and (2) obtain the personal indwelling of the divine guide, God's Holy Spirit.
- The indwelling Holy Spirit is the key to the possibility of truly righteous relationships in this earthly life!
